OK thank you Aaron. I just gave my supervisor a copy of the draft letter for his recommended changes/approval. Once I incorporate his changes, I will email the draft to Justin Wright, OFA for HQ approval. I hope to get Justin the draft letter tomorrow.

Hi Virginia -

Haven't yet gotten responses as to whom the appropriate contact for the Kaul Clay brownfield site may be. Will let you know as soon as I do!

Thank you,
Aaron

Hi Virginia,

Attached are Region 3's comments regarding the FEIS for the Rover/Backhandle/Trunkline projects. They seem to have addressed many of our previous comments made on the DEIS so there were only a few remaining significant concerns.

We appreciate the opportunity to make comments on the project. If you have any questions or concerns, feel free to email or call me.

Thanks!

Aaron

Hi Alaina,

Good to talk with you just now. EPA's FEIS (Rover) comment letter is due at FERC on 09/06/2016. However, EPA OFA needs to first approve the letter.

If R3 can email me FEIS comments by Tues. 08/30/2016 that would be great. Don't sweat the small stuff . . . just comment on any significant outstanding issues for R3 that haven't been addressed in the FEIS. If R3 has no comments please let me know that as well.

R3 should have gotten one complete set of the FEIS CDs from FERC (see attached file for copy of EPA's DEIS comment letter). However, you can find the Rover FEIS at EPA HQ's CDX (Central Data Exchange) (<https://cdx.epa.gov>).

Please feel free for you or Barbara to call me if you wish to discuss any of this.

Thank you,
Virginia

Hi Justin, Tom/Barbara, Maria/Chris, Melanie and Michael-

The Rover et al Pipeline Final EIS (FEIS) is out for our review and comment. Since HQ will need to review and approve our FEIS comment letter . . . please email me your significant review comments by August 22, 2016.

Please review the FEIS as to how well it responds to EPA's comments in our Draft EIS (DEIS) comment Letter (copy attached) for those comments you/your region provided in your area/s of expertise. Please provide your FEIS comments in the order/format used for our DEIS comment letter.

Justin, Tom, Maria: You will find a copy of the FEIS at cdx@epa.gov (see below email).

Melanie: I will give you a hardcopy and CD of the FEIS today.

Michael: You had no comments on the DEIS . . . let me know if you want to review the FEIS, or not.

Please call me if you have any questions. Thank you for your help with this EIS review.
